"AN APPRAISAL OF AWARENESS, PERCEPTION AND DIGITAL COMPETENCY OF TEACHERS OF AFFILIATED COLLEGES OF PERIYAR UNIVERSITY TOWARDS E-LEARNING RESOURCES AND METHODOLOGIES IN HIGHER EDUCATION"

To,
The Principal
Vysya College,
Salem.

Sir,

Warm Greetings

Sub: **PU-ICSSR-MJRP139-Action Plan January 2021 - Reg.**

Firstly, I express my sincere thanks to you and to your team for the kind presence in our University on the occasion of MoU signing function. 19 MoUs have been signed by the Principals/Representatives and the Registrar (i/c) on the occasion presided by our Hon'ble Vice chancellor. In continuation, the following actions are planned and initiated for the Month of January 2021.

PU-ICSSR-MJRP139 - TO-DO LIST Jan 2021

To-do List	Time bounds
1. Collection of Signed Memorandum of Understanding from colleges	04.01.2021 to
2. Sending the format and collection of details of the Participating teachers team	07.01.2021
3. Collection of basic information about the Teachers' current practices in Teaching and Learning process	
4. Assessment of the teachers' awareness on SWAYAM MOOC courses - Survey Questionnaire (Google Form)	07.01.2021 to 09.01.2021
5. Awareness programme on SWAYAM MOOCs Digital Initiative	11.01.2021
6. Awareness Programme on SWAYAM as blended Teaching- Learning Tool	12.01.2021
7. Enrolment of participating Teachers in the SWAYAM MOOC courses	13.01.2021 to 18.01.2021
8. Training programme on effective use of the SWAYAM MOOC courses as blended learning tool for effective teaching and learning (Pre Training survey + Training)	25.01.2021
9. Follow up on using of SWAYAM MOOC courses as Blended learning tool (Assessment and Post Training Survey)	26.01.2021 to 31.01.2021

In this connection, I request you the following

For Sl.No 1. - If the Signed copy of the MoU (University Copy) has not yet been submitted kindly send through courier or in person at the earliest.

For Sl.No. 2 - Kindly furnish the details of the team of teachers and the coordinator in the enclosed format (Annx.1)

For Sl.No. 3 - Kindly circulate the enclosed forms (Annexure 2) to all the participating teachers for their input

Sir, Kindly send all the duly filled in forms to me on or before 07.01.2021. Further, I humbly request you to guide and ensure the volunteering teachers to actively participate in the planned activities of the Institutional collaboration.

Thank you sir

With warm regards

(R.Subramaniya Bharathy) 01/01/21

Date : 04.01.2021

About Periyar University

The Government of Tamil Nadu established the Periyar University at Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University covers the area comprising four districts namely Salem, Namakkal, Dharmapuri and Krishnagiri. The University got the 12(B) and 2f status from the University Grants Commission, New Delhi and respectively reaccredited by the NAAC with "A" grade in 2015. The University bagged 83rd rank among Indian Universities by MHRD NIRF 2020. The University is named after the Great Social Reformer E.V. Ramasamy, affectionally called "Thanthai Periyar". The University aims at developing knowledge in various fields to realize the maxim inscribed in the logo "Arival Vilayum Ulagu" (Wisdom Maketh the World). "Holistic development of the students" is the primary objective of the esteemed Periyar University. Periyar University imparts higher education through three modes, viz., through its Departments of Study and Research, the affiliated Colleges and Periyar Institute of Distance Education (PRIDE). The University has 28 departments and 109 affiliated colleges. The Choice Based Credit System (CBCS) was introduced for various programmes offered by the University from 2008-09 onwards. From 2009-10 onwards the University has been offering certificate courses in order to cater the current needs of the public. Periyar University provides the Student Support Services of Library, National Service Scheme, Youth Red Cross, Women's Welfare Centre and avenues for sports and games.

Periyar University has taken the significant step of promoting inter disciplinary study and research. The departments have been clustered into schools in order to identify and work on productive intersections between disciplines. At present, four departments have SAP, sanctioned by the UGC and 7 departments have FIST programme sanctioned by DST. The departments, Textiles and Apparel Design, and Food Science and Nutrition have been granted Rs. 1.5 crores by UGC to run the B.Voc Programme in the respective disciplines. The schools, departments, institutes, chairs, centers and cells contribute their best through various academic, research and extension activities. The University is playing a paramount role in bringing multi-faceted development for the country. The University has tie-ups with a number of academic, research institutes and Universities across the world to stay up to date on quality benchmarks. Important days at the International and National levels are observed by the University to promote awareness on key issues that impact human life and mother earth.

About ICSSR

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. ICSSR provide grants for projects, fellowships, international collaboration, capacity building, survey, publications etc. to promote research in social sciences in India. Documentation center of ICSSR - National Social Science Documentation Centre (NASSDOC) - provides library and information support services to researchers in social sciences. ICSSR has developed ICSSR Data Service to serve as a national data service for promoting powerful research environment through sharing and reuse of data among social science community in India.

Dr. P. VENKATESA
PRINCIPAL
VYSYA COLLEGE

Objectives Framework of the Study -

Primary Objective:

- To appraise the Awareness, Perception And Digital Competency Of Teachers Of Affiliated Colleges Of Periyar University Towards E-Learning Resources And Methodologies In Higher Education

Secondary Objectives:

- To study the awareness level of the college teachers about the various e-learning methodologies and resources.
- To study the conceptions and perception of the college teachers towards the synchronous and asynchronous E-learning methodologies and tools.
- To study the digital literacy and competency levels of the higher education teachers.
- To identify the barriers and obstacles to the use of e-learning technology by college teachers in the teaching and learning process.
- To determine the facilities and incentives that may motivate the college teachers to use the e-learning technology in teaching and learning process.
- To determine the governmental and institutional support that may help the college teachers to actively design, develop, implement and evaluate the e-learning courses.
- To suggest appropriate measures to effectively involve the college teachers to use e-learning methodologies and tools.

Stages of the Project:

Phase 1 : Review of Literature

Phase 2 : Design of Survey tools and Training Prog.

Phase 3 : Field study through institutional collaboration

Phase 4 : Analysis and Interpretations

Phase 5 : Submission of Reports

Phase 3 – Field study through Institutional Collaboration

The idea/assumption behind conducting the research through Institutional collaboration is that the effective implementation or design of e-content in an educational institution largely depends upon the teachers' awareness, perception and competencies they possess. The institutional collaboration throws research insights in the following way.

Stage 1	Pre Training Research - Teachers' current awareness, perception and competencies towards e-content learning and development are assessed. (before giving any training and other support)
Stage 2	Awareness Programmes on E-Resources and E-Content development is given to create awareness.

Stage 3	Once awareness is created, Attitudinal Programmes are conducted so as to alter the perception of the teachers towards E-Resources and E-Content development
Stage 4	Once the favourable perception is created, the teachers are trained with required competencies <ul style="list-style-type: none"> • Competencies to adopt and implement the e-learning • Competencies to Develop the e-learning content
Stage 5	Post Training Research - Teachers' awareness, perception and competencies towards e-content learning and development are assessed. (after giving all trainings and other support)

About the Collaboration - Benefits

- This is **voluntary** only. Any willing affiliated college can make use of this invitation.
- **No Financial commitments** on both sides
- A team of teaching staff of the college (Max.20 Teachers) will be oriented, nurtured and groomed on various competencies and skills related to **E-Learning tools and Methodologies at best possible ways.**
- The collaboration will be for a period of **One Year From 28.12.2020 to 27.12.2021**
- Guidance and support on making use of **SWAYAM – MOOC Courses** as Blended learning teaching tool as part of collaboration.
- The Research Study Collaboration includes
 - **Awareness-Cum-Orientation programmes** on E-learning methods and tools
 - **Faculty Skills Training Workshops** on various competencies and skills related to e-learning, Teaching and e-content development
 - **Guidance and support in development of E-Content Modules** on par with the **quality standards** prescribed for the SWAYAM MOOC Courses
- And, the participating teacher should be **able to train the fellow teachers** of his/her affiliating college in developing quality e-content for the benefit of students' community.

About SWAYAM Courses

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

DR. P. VENKATESA.
PRINCIPAL
VYSYA COLLEGE

In order to ensure that best quality content is produced and delivered, nine

National Coordinators have been appointed. They are:

1. **AICTE** (All India Council for Technical Education) for self-paced and international courses
2. **NPTEL** (National Programme on Technology Enhanced Learning) for Engineering
3. **UGC** (University Grants Commission) for non-technical post-graduation education
4. **CEC** (Consortium for Educational Communication) for under-graduate education
5. **NCERT** (National Council of Educational Research and Training) for school education
6. **NIOS** (National Institute of Open Schooling) for school education
7. **IGNOU** (Indira Gandhi National Open University) for out-of-school students
8. **IIMB** (Indian Institute of Management, Bangalore) for management studies
9. **NITTTR** (National Institute of Technical Teachers Training and Research) for Teacher Training programme

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if these criteria are matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

4-Quadrants Of SWAYAM MOOC Courses

The courses hosted on SWAYAM are in 4 quadrants –

The first quadrant is direct teaching means not much of extra work by students; it could include teaching video, animation, PowerPoint presentation, Podcast and so on. All these depend on what the subject is and what the strategy adopted by the teacher to teach the students.

The second quadrant is an e-content which could include e-books, illustrations, Case studies, Open source content, Reference link, further reading sources and so on.

The third quadrant is about clearing student's queries. Discussion forum is a part of it means students can interact with other students and faculty to clarify their doubts. The discussion forum is like a doubt counter where any student or faculty can answer the question of a student.

The fourth quadrant is self-assessment to check what a student have studied and whether he/she is eligible to get certificate. It could be tests in the form of Multiple Choice Questions (MCQs), or quiz or short answer questions, long answer questions, etc. The fourth quadrant also has Frequently Asked Question (FAQs) and their answers to clarify common misconceptions among students.

Content Module Elements:

An E-Content Module comprises of the following elements as per the UGC Guidelines on E-Content Development

- Home
- Objectives
- Subject Mapping
- Summary
- Text / Case studies / FAQ's
- Video / Audio
- Assignments / Quiz / Tutorial
- References / Glossary / Links
- Download
- Blog
- Contact

Proposed Training Modules / Activities under the Institutional Collaboration

1. Awareness on various **E-Learning Concept, Resources and Methodologies**
2. Awareness on various **Digital initiatives of Central and State Government** related to E-Learning and E-Content development.
3. Awareness on **SWAYAM / SWAYAM Prabha** initiatives and the National coordinators meant for SWAYAM MOOC courses development.
4. Strategies in **Adopting and enrolling** the students in Free SWAYAM MOOC courses.
5. Making use of the **SWAYAM free MOOC courses as blended learning tool** in the teaching learning process.
6. Training on **analysing need for developing an e-content** and identifying the module to be developed.
7. Training on **Content Analysis and Learner analysis** in designing an E-Content module.
8. How to **structure the topics and sub-topics** in the E-Content module development

DR. P. VENKATESAN
PRINCIPAL
VYSYA COLLEGE

9. How to **design the course objectives and module objectives** in terms of Performance outcomes.
10. **Instructional strategies** for effective training like developing case studies, scenarios, cartoon-strips, analogies, concept-mapping, blog-posting, discussion forum topics etc..)
11. **Development of Instructional materials** such as PPTs, Videos, Infographics, animations, screen cast videos, slides with audio narration, recorded demonstrations etc...
12. **Mastering evaluation strategies** like graded assignments, quizzes, module-end exercises etc...
13. How to develop the **detailed time-wise course session plan** and implementation strategies.
14. Knowledge on the various **video conferencing platforms** and techniques of using them for online teaching and learning.
15. Awareness on **Plagiarism forms and harms**
16. Orientation on **Intellectual property rights and Copyrights laws**
17. Orientation and training on various **Open source software and free resources and tools** in developing e-content.
18. Getting familiar with **GOOGLE, MOODLE** like learning management systems.
19. Knowledge on developing and working with **Institutional level learning management system**.
20. How to **develop proposals to apply for grant for developing e-Content** to various national coordinators.

And all other competencies and skills training workshops related to E-learning adoption and E-Content development.

04.30 pm	Session 4 – "Creation of Google Virtual Class Room" – Practical Session
05.00 pm	Session 5 - Auto graded Quiz for E-Certificate and Assignments
05.15 pm	Open Discussion and Closing Remarks

Kind attention to the Participants

- The workshops are interlinked and sequentially planned. Hence you are requested to attend the workshops without any break.
- Kindly bring your own laptop for all the workshops so that you can have complete control on your work (at training and also at home)
- The training hall has good Wi-Fi facility, though; you are requested to keep yourself ready to use your Mobile hotspot if required.
- Workshop kit will be given
- This is collaborative learning among teachers; hence there will not be any hard and fast rules. But certain measures like Timely participation, working of assignments and Auto-graded quizzes for certificates will help all of us to have fruitful outcomes.
- Though, it is desirable to communicate with all individual participants, for effective communication all the communication will be shared to you through the Principal and team coordinator of your institution.
- We are taking our best efforts to create better learning environment. In spite of that if any inconveniences or grievances arise to you kindly share with us, we will do our best to you.

HAPPY LEARNING
