## CRITERION 7

### INSTITUTIONAL VALUES AND BEST PRACTICES

#### **7.1.7 The Institution has disabled-friendly, barrier free environment**

This is to certify, in our Institution the percentage of the Disabled students are very low. In order to help the Disabled students, their classes are allotted in the ground of the main block. We have provided rest room facility and Ramp facility to the students to help them climb upstairs. Additionally, we provide physical assistants to those students who need our help in case of emergency.
